Highland Rim Annual 2019 Membership Special

Would you like to further develop yourself as an HR professional? Have you thought about joining your local SHRM chapter to help accomplish this, but weren't quite ready to take the plunge? If the answer to both questions is "YES" let us give you some reasons why SHRM is for you:

- Local professional development activities to help you improve your HR competencies, advance yourself professionally, and in many cases earn HRCI credits.
- Quarterly HR topic meetings with highly-trained speakers who specialize in the HR Profession (*first meeting will held in forthcoming announcement at a later date.*)
- Access to network of local HR practitioners to network, benchmark, and share HR war stories.
- Ability to serve on chapter or committees to help develop or enhance leadership skills and contribute to the local chapter and business community.
- Annual local employment law seminar

The Highland Rim SHRM membership drive starts **January 1, 2019**. If you are a National SHRM Member, then, your discount for the Highland Rim membership would be **\$50 and \$75** for non-members, and **\$20 for Student membership**. Please note, Highland Rim SHRM membership increases are due to a membership increase at the SHRM National level.

Enclosed is a membership renewal application for the Highland Rim Chapter of the Society of Human Resource Management. We thank you for your interest in the chapter and look forward to your continued membership again this year. Please take a few minutes to complete the information on the application so that we may update your information in our database records.
